BRZEZINSKI'S LIFE LONG DREAM

of bringing Russia under America's thumb is going up in smoke.

According to Brzezinski, whoever controls the Central Asian heartland, "the Asian Balkans," controls Eurasia, and ultimately the world...all to the ruin of Russia.

PICKERING the Soviets into Afghanistan was part of Zbig's **Grand Chessboard** strategy of sucking off the 'Isan countries to conquer the energy rich Caspian Sea and bisect Russia.

As an adjunct of **using** Osama bin Laden **paired** with Saudi-funded Wahhabism in the 'Isan countries, Brzezinski sent by way of USAID, the CIA's public alter ego, millions of corrupted Korans and textbooks filled with militant Islamic teachings and violent images to schools of Afghan children in orphanages and refugee camps, in order to hatch jihadist fanatics.

Many of the later generation of the Afghan Taliban were orphans from the war, **raised and schooled** with these corrupted Korans.

The Jew Ileana Ros-Lehtinen knew (and didn't disapprove) of these corrupted texts when she testified at a congressional hearing.

That's why in the 1990s there was a battle between Russia and Chechen Wahabists, originally supported by neocon Jews with their terrorist-supporting front-group: **American Committee for Peace in Chechnya**.

Along with his **screech** for a US attack on Russia, Brzezinski is hoping for a Syrian replay of the brutal drawn-out war in Chechnya and Russia's humiliation, but it's not working.

Russia is not under a drunken president of the Yeltsin years who broke promises made to the Chechen people to improve conditions.

It was Putin who had to **clean up** the mess in the second Chechen War, a product of the **weakened and inept** Yeltsin government.

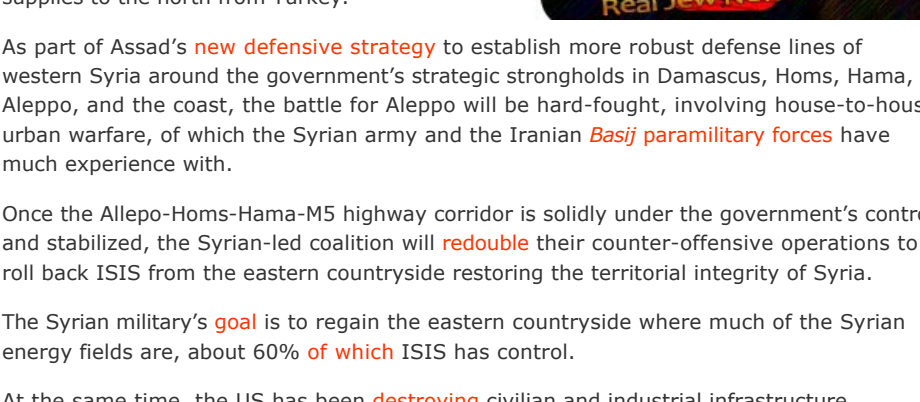

Facing the same cadre of Western-backed transnational terrorists that the Soviets faced in Afghanistan—now supporting the Chechen separatists—Putin opted for a quick, crushing blow, rather than bleeding his military with a drawn-out engagement.

With that kind of experience, Putin knows how to crush ISIS (and counter Western-Zionist schemes) in short order.

No surprise that Ashton Carter, US Secretary of Defense, is throwing a tantrum vomiting out **threats** against Russia.

That won't work either.

Putin has **established** a no-fly zone in Syria, leaving Carter an ashen-faced Pentagon boob.

ONE NATION, UNDER ASSAD

ALEPPO IS A KEY NODE in the Syrian-Russian-Iranian coalition reconquest strategy to reestablish order across Syria.

The coalition is confronting the *al-Shamiiya Front*, a joint operation of Aleppo-based rebel factions representing a spectrum of ideologies from hard-line Wahhabism to apolitical factions linked to the so-called Free Syrian Army.

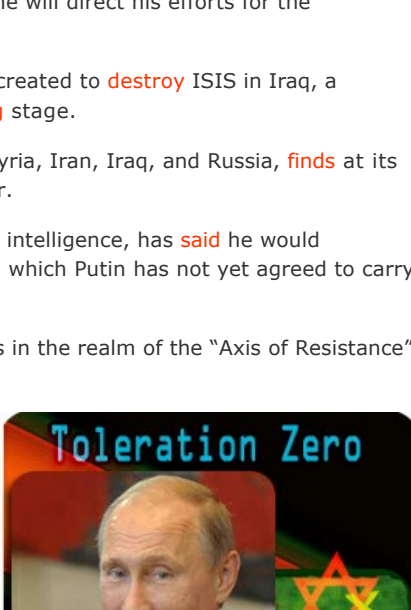

A large mobilization of the Syrian army along with Hezbollah and **Iranian fighters**, (not its army), are **moving** northwards to retake Aleppo.

ISIS terrorists are also being herded towards the city from the east by the US-led coalition leading to a major clash with the Syrian forces in and around Aleppo. (Of course, the US is hoping ISIS will win.)

One step ahead of Jewmerica, Russia has **boosted** its bombing **raids** to more than 100 sorties per day which is expected to double in the days ahead.

The SAA Cheetah special forces are 7 km **away** from lifting ISIS' siege of Kuweyres Military Airbase which will become an important jump-off point for Russian air strikes in the eastern countryside.

Under cover from Russia's air force, the Syrian army has **enclosed** Aleppo in a tightening fist configuration that cuts off the main artery of vital supplies to the north from Turkey.

As part of Assad's **new defensive strategy** to establish more robust defense lines of western Syria around the government's strategic strongholds in Damascus, Homs, Hama, Aleppo, and the coast, the battle for Aleppo will be hard-fought, involving house-to-house urban warfare, of which the Syrian army and the Iranian **Basij paramilitary forces** have much experience with.

Once the Aleppo-Homs-Hama-M5 highway corridor is solidly under the government's control and stabilized, the Syrian-led coalition will **redouble** their counter-offensive operations to roll back ISIS from the eastern countryside restoring the territorial integrity of Syria.

The Syrian military's **goal** is to regain the eastern countryside where much of the Syrian energy fields are, about 60% of **which** ISIS has control.

At the same time, the US has been **destroying** civilian and industrial infrastructure, **including** the other 40% of Syria's energy sector **especially** oil refineries and pipelines, all the while claiming to be "degrading ISIS."

These kinds of lies, treachery, and double-dealings happen when a country is **run** by Jews.

SYRIA AND BEYOND

ONCE PUTIN CLEANS OUT ISIS in Syria, he will direct his efforts for the **reconquest** of Iraq.

With a new **joint intelligence center** in Baghdad, created to **destroy** ISIS in Iraq, a military alliance is being forged...now in its **beginning** stage.

The intelligence sharing alliance, which comprises Syria, Iran, Iraq, and Russia, **finds** at its control two Russian generals stationed at the center.

Iraqi Prime Minister al-Abdadi, who **doesn't trust** US intelligence, has **said** he would welcome Russian air strikes against ISIS on its soil, which Putin has not yet agreed to carry out.

But, no matter, Putin has established his credentials in the realm of the "Axis of Resistance" stretching from Iran to Lebanon.

It is this same "Axis of Resistance"—dedicated to opposing the Zionist beast that has intruded itself into the Middle East—that US foreign policy revolves around.

For being in the **clutches** of Jewish Lobbies and Jewish neocons, US policy has been **tethered** to a Jewish spirit that is at its best, destructive, and at its worst, maniacal.

No wonder that Putin **said** in his recent UN speech: "We can no longer tolerate the current state of affairs in the world."

For with a Russian **naval base** at Tartus on the Syrian coast, an **airfield** in Latakia, and a **pending** unified military base, Putin is poised to move beyond the borders of Syria to its west and to its east.

THIS BODES ILL for the Jews and its policy-making in the US. Putin has already **publicly warned** Israel to stop its military attacks on Syrian targets.

Putin's next move (and he constantly **moves** from one victory to the next) will be to mediate a solution of the Palestinian issue that's been fomenting in the rogue state of Israel ever since its dubious creation.

With the **Axis of Resistance** firmly in place, the spreading concept of a **multipolar** world of sovereign nations displacing the destructive hegemonic unipolar order established by Jewmerika, and his **credibility** fixed...

...Putin will score another win against the Jews.

Dear All,

I STILL need your prayers.

I'm STILL fighting a very bad sore throat and ear ache which is causing me much pain and difficulty in swallowing. I'm really not getting much better.

Last night, due to difficulty in swallowing, a vitamin C pill got lodged in my throat and upon a choking experience was about to text a friend to call an ambulance.

Thank God, after drinking multiple swigs of water, the pill finally became dislodged.

Your prayers are appreciated. +BN

Thank you for a true masterpiece of an Article, dear +BN.

Fascinating information about the deliberately corrupted and distorted Koranic texts published by the University of Nebraska-Omaha as propaganda and distributed to the "Afghani orphans and refugees in the madrassas by USAID as part of Brzezinski's wicked "Islamic Arab" Wahabist proxy war against the Soviet Union supported by the Saudis and Gulf states.

This distorted jihadist doctrine spread out, and infected some of the Chechen terrorist bands as well as other parts of Central Asia, the evolutionary product which we can observe today with the black-flags of Al Nusra and ISIS spreading along by Chechen Wahabists.

I've heard that for Russians "Wahabist" is a synonym for "terrorist." I would think that "right to Putin comes across Chechen Wahabists anytime, anywhere he will exercise his "anytime to protect...Russian national security."

My heart really goes out to the Syrian people for their courage, resilience and patience, and God grant them victory over their enemies. May God continue to Bless the Syrian Arab Army, the Syrian People, and President Bashar Al-Assad, and their allies.

When the Syrian armed forces and Resistance allies come out of this at the end of the war, the doctors, lawyers, teachers, farmers, villagers, workers, urbanites, country folk, Arab tribesmen, men, women, Sunnis, Christians, Alawite, Druze, Kurds and Shia citizen-soldiers who volunteered and formed their own local militias, and answered the conscription service, are going to be the most battle-trained, battle-hardened, wisest, and most formidable Arab military in the entire region.

You can be sure that the SAA will continue to acquire all the best state-of-the-art weapons, defensive systems and equipment from Iran and Russia that they've been trained to use the past months. The Syrian Arab Army is still in charge and has final say over its overall reconquest goals and strategies. They present targeting points to the RFAF, which then selects what it will conduct its airstrikes on.

The Syrians are well ahead of the learning curve.

Morale is high among the Syrian civilians, Syrian students are assembling in front of Russian embassies in different countries to thank Russia for their assistance and support, and the SAA, the NDF and their allies are fighting hard and moving like they had wings on their feet.

I anticipate an eventual regional military alliance forming and organizing itself on the order of the CSTO operating in the Eastern Med and North Africa.

Israel has to be soiling their knickers at this very moment. All they can do is make war on the under-armed Palestinians that they continually suppress and murder, trying to extinguish their spirit of resistance and defiance of the Jewish maniacs. If the Jews thought Hezbollah was bad in 2006 when they tried to invade Lebanon...

And it really does appear that the Israeli air force has made itself scarce the past few days in Syrian air space, and drawing back on their support of the "opposition" forces by firing on the Syrian government forces and allies in southern Syria from their perch in the occupied Golan Heights.

Absolutely brilliant of the Russian Ministry of Defense to set up a hotline (not a joint coordination structure as Bibsy boasted about) with Israel, giving them the RFAF's coordinates for airstrikes.

There are so many, an average I think of 50 a day all over Syria, that the Jewish air force has no choice but to stay out of Syrian air space, finding no place to squeeze themselves in to send off another provocation.

Tribute to SAA and the People of Syria

"Yes, these are the difficult times and the enemy has no honour. Yet, the real Syrian and SAA have never given up, they won't.

"All the beloved have been lost for the sake of Syria will never be forgotten. Believe in Syria. Believe in SAA."

You need to study Holistic Healing. Higher vibration Consciousness Brother. (how to heal yourself) (C tablet?)

The no fly zone in Syria is this. Russia has the technology now in Syria to make any weapon, offense or defense completely blind or dumb; that goes for planes, ships, tanks, bombs, whatever.

This technology has quite a large radius and has been demonstrated already against the UN/NATO Satanic Body.

They also have many many S-400's off the coast guarding it.

Basically Putin has the Fear of God in Syria.

Israel Fighter Jets have been scared away more then twice and warned more then twice now to stay out of All of Syria.

The Reality of Syrian Army's Soldiers

"These are the heartbreaking final moments of a brave Syrian soldier in battle.

"I'm not sure how old he was, but he doesn't look much older than 20. His tears here aren't tears of weakness, but they are tears of loss and goodbye as he sends a last message to his mother.

"I wish that woman strength and love, and I hope she knows that her whole nation will forever mourn her son and bow their heads to the sacrifice he made for Syria. Him and every one of his comrades."

The Syrian Arab Army are the lawyers, doctors, and teachers of Syria.

"The workers, farmers, and public servants.

"They are the university students whose lives and futures have been at a standstill for over four years as they fight for the survival of their country.

"They are the fathers, brothers, and sons of the Syrian people.

"They ARE the Syrian people.

The Syrian army are not brutal killers who come to murder civilians.

"They are fighting radical terrorists who have come to Syria from all around the world.

"Many Syrian soldiers have died while protecting their people from hundreds of groups just like ISIS that your media won't tell you about.

"Every fallen soldier has a mother whose heartbreak will ring on forever, and a father who will carry his agony for the rest of his life.

"Our army is dying for our country, but we don't want them to. We want them to come back to their families, and live like we were living four years ago.

"We are tired of this war, but we cannot surrender to those who seek our destruction. We will continue to defend ourselves and our country.

"Our army is our hope."

JEWmerica says "Assad must go!" And the homosexual Liar In Chief parrots the Jew missive. BUT, Syria has a Constitution, renewed in 2012 by popular mandate @ http://sana.sy/en/?page_id=1489 (Scroll Down)

Assad was re-elected through the framework of the Syrian Constitution by popular majority vote.

But JEWS and their puppets don't care about the legal framework of targeted nations' governing infrastructure.

What the wicked, chaos-creating JEWS really need to say to remain respectful of Syria's legal political structure is: "The Syrian Constitution must go!"

But that's a bad slogan for the JEW-OWNED media to publicize. +BN
